An Englishman gentleman, traveling in the Highlands, being rather late in coming down to dinner, Donald was sent upstairs to intimate all was ready. He speedily returned, nodding significantly, as much as to say it was all right.

"But, Donald," said his master, after some further trial of a hungry man's patience, "are you sure you made the gentleman understand?"

"Understand!" returned Donald (who had peeped into the room and found the guest engaged at his toilet, "I've warrant you he understands; he's sharpening his teeth"—not supposing the tooth brush could be of any use.—Exchange.

C. A. Churchill, 35 Merchant St., Barre, Vt., says: "I recommend Doan's Kidney Pills, procured at Drown's Drug Store, through the local papers in the winter of 1897. I used one box and was so greatly benefited that I continued taking them until all symptoms of kidney complaint and weakness in my back and loins disappeared. It is now a long time since I recommended Doan's Kidney Pills but on several occasions, I have taken them with good results. I have often advised a trial of this preparation to friends and acquaintances whom I have heard complaining of backache. I think that Doan's Kidney Pills are a remedy which is certainly worthy of endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Perley Knox Died While Attending a Dance.

Perley Knox died very suddenly Wednesday night about 11 o'clock of acute indigestion, while attending a social dance on Pine street. He was struck as he was leaving the floor at the close of a dance, and immediately became unconscious. Everything possible was done for the young man but before the physician, who was hastily summoned, had arrived, life had become extinct.

Mr. Knox suffered a similar attack two weeks previous after boarding the train for Montpelier to take up his duties as brakeman on the M. and W. R. R. He was brought back to the station in an unconscious state, but remedies were applied in time and he soon recovered from the attack and went to his home. He continued to gain and reported for work last Monday. Deceased was the son of Mr. and Mrs. George H. Knox and was twenty-two years of age on February 22. He was of a genial disposition and was liked and respected by old and young. He was especially courteous to older people. Beside his parents he is survived by one brother, Fred Knox, and one sister, Miss Nellie, who have the sympathy of the community in their bereavement. Funeral services were held at the Methodist church this afternoon.

Jerry Hutton of Peacham was a visitor in town on Wednesday.

H. S. Brown of Greenfield, Mass., was the guest of Mr. and Mrs. L. N. Hall over Wednesday night.

B. F. Heath has been seriously ill the past week with influenza. Mr. Heath has also been ill from gripe.

Mr. and Mrs. Dan Farrow have been passing the week in Boston attending the automobile show.

Mrs. W. A. Whitehill, who has passed the winter with her son, Linwood, at East Ryegate, returned home Wednesday.

Misses Kate and Carrie Downs visited relatives in Newbury the first of the week.

Bernard Brink has moved his household goods to Ricker's mill and left Wednesday night to attend a barbers' school.

A Livingstone memorial service will be held at the Baptist church Sunday evening.

Mr. and Mrs. D. A. Morrison entertained a party of friends from South Ryegate Tuesday evening. Refreshments were served and a social time passed.

One candidate was admitted to the order of Pythian sisters at their regular meeting on Tuesday evening.

Mrs. Ed. Purcell returned the first of the week from Manchester, N. H., where she was called by the death of a relative.

A four act drama entitled, "Miss Mosher of Colorado," is being prepared by local talent, and it is expected it will be ready to be presented the 28th of this month.

The ladies will hold a meeting in the vestry of the Methodist church Tuesday afternoon at 2 o'clock, to see what can be done to counteract the license vote at the recent town meeting.

The ladies appeal especially to the mothers, and earnestly urge all who have the welfare of the home and public at heart to attend this meeting.

Keeping It In Mind.

It is evident from what the state papers are saying that Vermonters are anything but pleased at the "raid on the treasury" made by the clerks, sweepers and other attaches of the last legislature. Attempts to excuse the exorbitant sums that were paid these employees have not served to abate popular indignation a particle, and if matters of this kind were not so quickly forgotten it would be safe to say that few men would be elected to the general assembly of 1914 without promising to do all in their power to prevent a repetition of the scandal.

The newspapers of the state can do much toward keeping the public memory fresh in this regard. Let us all remember the matter and make a point to speak of it at regular intervals.—Brattleboro Reform.

Bishopric Wall Board

is better than lath and plaster, saves 40 per cent. in construction, renders 100 per cent. in service. Any weather is good building weather when you use Bishopric Wall Board and Sheathing. Bishopric Roofing is self-protecting and requires no paint.

It beats all other kinds of roofing that's made. And those who have tried it all seem to agree. It drives everything else away into the shade. Of the old or the new style.

Constituted, and Don't Know It!

By Dr. True

It seems odd, but it is true, that you may be constipated and not know it.

You can see why it is. Take a glass and pour in water until full. If you keep on pouring in water after the glass is full, it will run over, but the glass stays full.

Just so with your bowels; they get full of waste matter, and then they pass off or expel from the body only about the same amount that goes into it in the form of food.

So you may have a movement of the bowels every day and yet there will remain waste matter that ought to be removed.

Give your bowels a gentle but thorough cleaning out and you'll feel great.

The prescription I used for this is put up and sold under the name of Dr. True's Elixir. Doctors and druggists use it in their own families. Costs but little and brings health to men, women and children. Tastes good. Works gently. Remember the name, Dr. True's Elixir. Price, 35c, 50c and \$1.00.

The Winifred St. Claire Co.

When you see a play by the Winifred St. Claire stock company you will warm up to the leading man. In every city he has played there are a host of ad-

mirers who cherished fond memory of his face, his figure and his acting.

Leading men are like heroes in fiction. We regret when the time of parting comes. Often the St. Claire company is called back. The house manager notes this feeling on the part of the players quickly. Oftentimes he signs up a contract with the company before the engagement is out—a contract bringing them back for an early date. This happened late this summer, when the company played a week in one town and returned after another week.

Go see the show and see what you think of it. Criticize it from the view point of the best stock show you ever saw. Miss St. Claire, the leading woman, will abide by your best judgment. She always does that. It's your verdict that guides her. Her success depends upon what you think of her.

Miss St. Claire and her company of stock players will begin an engagement at the opera house Monday night, March 17, the opening play will be "Mrs. Temple's Telegram." Usual ladies' 15c tickets Monday night if bought and paid for before 6 p. m.

Seats on sale at Kendrick's drug store. Matinees Wednesday and Saturday.—Adv.
